

What is Messy Church?

Messy Church is:

About growing and connecting generations in a creative fun loving way, as we explore God's story together.

A place for everyone to enjoy from the single elderly person to the youngest member of the family

A monthly celebration which includes, creative games craft, laughter, eating and a time of creative celebration through story interactive prayer, song and being family.

From a parent "Messy gives our family a time to be family, learning God's story together".

From a 5 year old on his first experience, "This is soooo... cool!"

From a 70+ single person, "Messy is great because it gave me the opportunity to be with younger people and share some of the things I have done in my life and she (a 12 year old) was actually interested".

From a 90+ single woman, "Messy is very special, and I don't like missing it"
